

BENEFITS

Recognized by the United States Olympic Committee (ASA) as the National Governing Body for softball in the United States, the Amateur Softball Association (ASA) of America provides benefits to the millions of players, coaches and umpires and others who register with ASA. While each ASA local association and ASA member league offers unique opportunities upon registering, certain benefits exist for everyone just by being part of the largest softball organization in the country. Not only do all ASA teams get complimentary copies of the ASA's Official Rules of Softball but individuals and teams are offered a variety of other benefits including insurance. Below is an overview of some benefits of joining ASA.

LIBERTY MUTUAL'S RESPONSIBLE SPORTS PROGRAM

ASA's youth parents and coaches. ASA leagues are also

eligible to receive community grants up to \$2,500 along with ability to nominate deserving coaches for ASA's Coach of the Year Award. For more, visit responsiblesports.com/softball/.
